

30<sup>th</sup> July 2011

Dear Fatima,

I am delighted to inform you that the 2011 research on Gauteng's leading companies has been finalised.

Congratulations! **27four Investment Managers ( Pty ) Ltd** Gauteng Region passed the entry criteria and will be listed in next year's *Top300 Gauteng* publication.

Exhaustive research into 5000 businesses in the province, based on criteria developed with University of Cape Town, constitutes a list of the 300 leading companies in Gauteng.

Supported by both local Government and the Gauteng Chamber of Commerce, it is distributed locally, nationally and internationally and has brought some staggering results for companies who have been featured and who have taken advantage of the leverage potential this world class publication offers.

Top 300 Companies was originally published 13 years ago and with our main partners FNB, who have recently come on board for the regional series, it is becoming the primary resource ensuring strategic insights into each region.

With a readership of 200,000 and a further 105,000 digital copies sent to key decision makers, as well as the inclusion on the website, which has two million visitors each month, *Top300 Gauteng* is a highly influential publication for leading companies doing business in the province.

One of our portfolio managers will call you in due course to discuss your results and how **27four Investment Managers (Pty) Ltd** can benefit from participating in this leading business-to-business publication.

My very best wishes
