## **NOTIFICATION OF CHANGE IN EXTERNAL AUDITORS**

---

Sukuk holders are advised that following a review of Agrarius’ external audit requirements and the conclusion of a audit firm tender process, the audit and risk committee of Agrarius has recommended, and the board of directors (“**Board**”) has endorsed, the appointment of PricewaterhouseCoopers Incorporated (“**PWC**”) as the external auditor of Agrarius, with Ms Farzeen Bootha, as the designated audit partner, to replace KPMG Incorporated (“**KPMG**”).

The decision to change the external auditor was initiated by Agrarius, primarily for commercial reasons and shall be effective immediately.

Agrarius operates a unique business model, providing Shari’ah-compliant funding to the agriculture sector value chain, which necessitates a close alignment between its strategic objectives and the external audit approach. The appointment of PWC reflects the Board’s commitment to ensuring that Agrarius continues to benefit from a strong partnership with an audit firm that is well-positioned to support its specialised operations and growth ambitions.

The Board would like to extend its appreciation to KPMG for their services to Agrarius during their tenure as external auditors.
